

a1

43. (amended) A method of Claim 41 in which the condition is [a cardiovascular disorder] hypertension or arrhythmia.

a2

45. (amended) A method of Claim 41 in which the condition is a [CNS disorder] cognitive disorder, psychosis, anxiety/depressive state, or obsessive/compulsive behavior.

At Claim 46, line 2 (page 73, line 21), delete "anxiety/depression behavior" and insert --anxiety/depressive state-- therefor.

At Claim 47, line 1 (page 73, line 23) delete "Claim 45" and insert --Claim 46-- therefor.

At Claim 49, line 4 (page 73, line 33) after "emesis" insert --, or recovering from surgical anesthesia.--.

Cancel Claims 52 and 57-60 without prejudice to the filing of a divisional application directed thereto.

Add the following new Claim 52.

R-126
m1249
a3 R-126

50
51
52. A method of Claim 42 in which the compound is (S)-2-(1-azabicyclo[2.2.2]oct-3-yl)-2,4,5,6-tetrahydro-1H-benz[de]isoquinolin-1-one.

REMARKS

Entry of this amendment is requested. No new matter is added by the amendment, since the new Claim and amendments to the original Claims find full support in the application as filed. Support for the phrase "gastrointestinal disorder treatable with prokinetic agents" is found at page 18, line 31, through page 19, line 13; support for the term "cognitive disorder" is found at page 19, lines 18-21; support for the term "psychosis" is found at page 19, lines 21-23; support for the term
